

STUDENT SURVIVAL KIT

FOR LIVING IN AUSTRALIA

Overseas Students Ombudsman

Ombudsman's services are free, independent and impartial. They investigate complaints about problems that overseas students have.

www.ombudsman.gov.au

Working rights

Everyone working in Australia has basic rights which include a minimum wage and superannuation. Visit the Australian Governments Fair Work Ombudsman's website:

www.fairwork.gov.au

Outdoor Safety

Before you go exploring make sure someone knows where you are going and try to go with others who are familiar with the area. The Australian sun is intense, so always make sure your skin is protected. At the beach, always swim in between the flags.

Consumer Protection

Australia has a strong consumer protection framework to protect the rights of Australian consumers. While you are in Australia you are covered by this Law.
