Recognition of prior learning, credit transfer, exemption and advanced standing are governed by the principles and procedures contained in the *AP016 Recognition of Prior Learning (RPL) Policy*.

With respect to the credit transfer of AQF Level 7 units into a higher AQF Level course the following **additional principles** will apply:

1. Units at AQF Level 7 must be completed at an Australian university or higher education provider or from a similarly accredited university or higher education provider in another country.
2. Credit for completed AQF Level 7 units cannot exceed 24 credit points, being equal to four units in a postgraduate award.
3. Only IMC units shown in the table below are eligible for an exemption based on completed units at AQF Level 7.

Course Code	Postgraduate unit available for exemption	RPL awarded upon successful completion of:
TACC601 TACC602	Principles of Accounting Accounting for Business	Three relevant undergraduate accounting units with at least one unit at the second-year level.
TECO602	Economic Environment of Business	Two undergraduate units that cover the areas of microeconomic principles and macroeconomic principles <b>OR</b> one undergraduate combined economics unit (micro and macro) and another economics-related unit (e.g. International Trade, Behavioural Economics, Resource Economics; Econometrics) at the second-year level.
